Please answer the following question in essay form. It must be typed, double spaced, and no more than four pages long.

4. Daily money management choices directly impact your financial future. In most instances, we never get to practice making the "right" choice. Finances 101, an online financial reality game created by credit unions, allows users to experience real-life financial decisions in a virtual world.

As a scholarship applicant, spend time playing the Finances 101 game at [www.finances101thegame.org](http://www.finances101thegame.org) and answer the essay question below. The essay can be written in first or third person and should refer to concepts taught during the Finances 101 game.

How can strong money management skills help an individual establish a stable financial future?

Your entry must be postmarked by January 27, 2012.
